10,000A • 12V

## INSTANTLY JUMP-START YOUR CLASS 8 COMMERCIAL VEHICLES

Built to last, the 10,000A, 133200S joules, 12V Start All Jump Pack starts the toughest Class 8 engines on demand. The Jump Pack is equipped with proprietary technology, which provides an instantaneous energy transfer to the battery the moment the cables are properly connected, which maximizes jump-starter performance. The Jump Pack provides reliable power to get you back on the road, quickly and safely. **Easily jump start a dead semi-truck, charge phones, digital cameras, tablets, laptops, and portable gaming devices with multiple power ports!**
